There are also links for Log In and Create Account. The main content area features a large dark blue section with the headline "You Are America's Smartest Investment" and a "Log In" button. Complete Your Student Loan Entrance Counseling Requirement

Entrance counseling ensures you understand the terms and conditions of your loan and your rights and responsibilities. You'll learn what a loan is, how interest works, your options for repayment, and how to avoid delinquency and default.

When you're finished, a record of your completion will be sent to the schools you selected, and you can then receive your loan money. Keep in mind that you cannot save and leave an incomplete session; you must complete entrance counseling in one sitting.

Select Your Student Status to Begin

Your school may have different entrance counseling requirements. Check with your school's financial aid office to be sure that the counseling on this Web site satisfies your school's entrance counseling requirements.
