K-Dub Hub, Pioneer Hall 285

100 E. Claflin, Salina, KS 67401

Telephone: (785) 833-4315 **FAX:** (785) 404-1485 **E-mail:** finaid@kwu.edu

Your FAFSA was selected by the US Department of Education for a process called Verification.

This process requires us to check and confirm some of the data items you entered into your 2024-25 FAFSA. If corrections are needed, we will make those corrections based on the documents you submit to our office. Please complete the required Verification worksheet that is loaded in myKWU Financial Aid Document Tracking. You can also find forms on the KWU website at <https://www.kwu.edu/pay-for-college/financial-aid/> under the Forms section for the 2024-25 academic year. Other required items or updates will be available in myKWU within 1-3 business days of your submission.

Along with the required verification form, please submit any tax or income documentation based on your answers regarding your tax filing status. For example, if you did not file a tax return but had income from work, we will need a copy of your 2022 W-2's.

Income information is needed based on your and your parents' marital status (for Dependent students) as of the date the FAFSA was filed. However, tax and income information you provide on the FAFSA is from the 2022 calendar year.

Please call or contact our office or your Admissions Counselor at 785-833-4305 if you need assistance.
